11.00am-3.00pm

**11.05am- 12.35pm**

### **Infant Development and Aquatics- Florence Errington- Owner Frogz Training Services**

It's not just about being comfortable in the water, it's being able to swim and survive.

Empower each child you teach with the skills needed to safely enjoy the water! Join Florence as she discusses the development characteristics of Infant and Preschool children and will outline how you can work with these to assist in developing valuable Water Safety Skills in your infant and preschool lessons.

**12.40pm-1.10pm**

**AFTERNOON TEA**

**1.15pm-2.45pm**

### **Making WATER SAFETY Fun- Robyn Kennett AUSTSWIM Presenter Dry/Wet**

Remember that we are teachers of swimming and WATER SAFETY. Don't forget to include some water safety skills in your lessons. This workshop will help with some ideas for non swimmers through to competitive swimmers. Learn a few fun activities to keep your students safe and add some variety to lessons.

Something wrong with your student's stroke but can't quite put your finger on what? In the WET portion of this session Robin will give helpful advice on stroke correction and a variety of drills aimed at improving specific areas of your student's technique.

As there is a wet component in this session for both stroke correction and water safety activities, make sure you bring swimmers and towel and be prepared to get wet and have some fun too.

**2.50pm-3.00pm**

### **CPR In a Box**

Candidates will this year be given an opportunity to purchase CPR in a BOX up to 1 week prior to attending the conference and they will then be able to attend a super workshop (which takes about 10min) to assess their skills at the conference.
