Surf Life Saving Western Australia 'Surf Rescue Certificate'

16 November 2009

The Surf Rescue Certificate is a 2 day course suitable for anyone over the age of 13 years. Candidates will be taught and assessed on performing rescues, identifying dangers, resuscitation, basic emergency care, and supervision skills. The certificate is recognised by the Department of Education and Training's Water Safety Guidelines for supervision of children in open and closed waterways (excluding swimming pools). Public courses are conducted by SLSWA from October – April each year. For a full list of course dates and course information visit www.workplacelifesavers.com.
